

INSPIRED BY CONDOR

Despacito

Region

With around 15,000 hectares under vine, Rivadavia, running east to west along either side of the Tunuyan River, is the second largest subregion in East Mendoza. Flat and fertile with sandy-loam soil, Rivadavia is warmer, with less diurnal temperature variation than other regions of Mendoza. It produces wines with a riper, fuller character than higher altitude vineyards. Some subregions such as Medrano are also well-known for their high-quality old vine production.

Producer

(Despacito: Slowly) is from vineyards at the foot of the Andes Mountains; cooler temperatures at these higher altitudes provide the ideal conditions for a slower maturation and a perfect ripeness. The best things in life should be enjoyed SLOWLY... ensure you take the time to appreciate the elegance, fruit and flavour of the wine and savour the moment.

Viticulture

VST and Pergola.

Vinification

This wine is unoaked to focus on the fresh, primary fruit character.

Tasting Note

It presents a bright red colour with fresh aromas of plums and blackberries and a hint of spice. The palate is clean and smooth with enticing red and black berry fruit, perfectly balanced and a good finish.

Food Matching

Will complement pizza, pasta and, as they do in Argentina, a succulent steak.
