

VINEDO DE LOS VIENTOS

NOTOS NEBBIOLO

The property has been in the Fallabrino family since 1947; winemaker Pablo Fallabrino produces quality-driven wines in small quantities utilising a modern winery but at the same time continues to explore forgotten, old or less-known wine-making techniques.

'Viñedo de los Vientos' translates into "Vineyard of the Winds" and is located where the river Plate estuary and the Atlantic Ocean meet, providing clean cool ocean breezes and an ideal climate for the maturation of fine wine grapes.
