VIÑA REQUINGUA

Producer

Santiago Achurra Larrain founded Viña Requingua in 1961 and since then, working alongside several generations of his family, has grown the winery to be amongst Chile's top 20 producers. Grapes are sourced from vineyards located in the Curico, Maule and Colchagua Valleys, where a mild Mediterranean-like climate and varied soils offer optimum conditions for growing many different varieties. Long, dry summers with radiant days and cool nights help the grapes attain maximum potential with vibrant fruit and refreshing acidity.

Winemaker

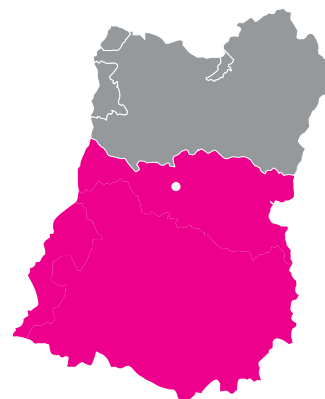

Benoit Fitte has been leading winemaking and viticulture at Viña Requingua since 2001. Born in Armagnac, France, he received his DNO (Diplôme National D'Oenologue) at the age of 24. After working in Taittinger in Champagne and Chateau Montus in Madiran, Benoit moved to Chile to join Viña Requingua as Chief Winemaker. Benoit's team also includes Winemakers Eloisa Uribe, who joined Vina Requingua in 2002 after several years working in Bordeaux and California and Filipa Morgado. Filipa was born and raised on Madeira. She came to Chile for harvest in 2012 and after time working with Errazuriz, joined Requingua in 2015.
